Maureen Waaka

I have represented, supported and worked for Tuhourangi on many occasions and totally accept the workload this position will bring. I have worked in Te Arawa Fisheries in its formative years and since then have qualified as a commissioner on environmental resources, and have experience in matters of Legislation, Governance, Finance, Planning, and Policy. I believe our Fisheries are an irreplaceable gift from former generations that must be protected, nurtured, developed and grown to benefit our people into the future. I offer my experience, skills, and commitment to work for you in Fisheries.
