

Te Kotahitanga o Te Arawa Waka Fisheries Trust Board

Te Ure o Uenukukopako/Ngati Whakaue

Nominee Profiles

Ron Roberts

During my three years as Chair of Te Kotahitanga o Te Arawa Fisheries Trust Board, we:

- increased in value by \$1.7 million.
- distributed \$117,000 of scholarships.
- delivered 20kg of seafood to every tangi.
- allocated \$110,000 of grants to our iwi in 2010.
- dedicated \$38,000 to the protection of our customary fisheries around Maketu.

I want to continue these successes through the establishment of a seafood retail shop in Rotorua and seafood industry training grants for our people.

Vote to keep growing our assets and getting the benefits out to the people.

Vote Ron Roberts!

Terry Rewi Tapsell

I have a close connection to the sea and fish and dive our Te Arawa coast with my Maketu Whanau and others to this day. I will ensure if elected that activities this board engages in will not adversely affect the delicate coastal ecosystem that exists.

I was re-elected to Te Arawa Lakes Trust recently. If elected to TKOTWF I will identify issues of mutual concern and will encourage joint support for Cultural, Economic, Social, Educational and Environmental initiatives of interest to Te Arawa.

I ask for your support at this election.
